Having

"Having Everything You Imagine."

Some things take years to find.

The right supplier.

The right formula.

The right partner.

We've already done that part.

Korea's leading ingredients, brands, and manufacturers,
organized through one export-ready network.

That's Having.

01 Verified K-Beauty supply chain. Access to validated Korean suppliers.

02 End-to-end coordination. Sourcing, manufacturing, and export support.

03 Global-ready portfolio. Curated brands and ingredients for retail markets.

Ingredients

Ceramides · PDRN ·
Exosomes · Microbiome · Peptides

Advanced cosmetic actives curated for regenerative skincare and scalp care development.

BARRIER RECOVERY

Ceramides

NATURE'S FRIENDS · NANOZIN

Advanced ceramide systems for barrier recovery, moisture retention, and scalp resilience.

NEXT-GEN REGENERATION

Plant-Derived PDRN

BIO-FD&C

Developed for derma-inspired skincare, recovery-focused formulations, and sensitive-skin applications.

BIOACTIVE DELIVERY

Exosomes & EVs

BIO-FD&C · BIOSPECTRUM · GFC

Bioactive extracellular vesicle systems for advanced cosmetic delivery and premium skincare applications.
